Greeter Ministry

Open Hearts. Open Minds. Open Doors.
The People of the United Methodist Church.

We want to extend our **Greeting Ministry** on Sunday mornings. We are organizing "Welcome Teams" for each Sunday, where we'll have:

- ◆ 4 teams of a minimum of 5 people for each service, serving the same Sunday each month. (ex: Team A serves every 1st Sun.).
- ◆ TRAINING for the teams, on what to do and what to say and on the specific roles for each person on the team.
- ◆ Welcoming servants throughout the grounds, and will serve from parking lot to inside our doors.
- ◆ As a sign that this is a *servant* ministry, our preference would be that people who greet during a particular service would be someone who worships at our other worship service, so they are not "working" during a service they are to be worshipping.

I, _____, would like to serve as a welcoming servant minister. I will be part of one of the four teams. Ranking from 1 being my favorite to 4 being my least preferred, I prefer to serve on this particular Sunday of the month:

1st ____ 2nd ____ 3rd ____ 4th ____

(Please mark with an "x" any Sunday you would *not* be able to serve.)
(The 5th Sundays will be assigned to one of these 4 teams on a rotating basis.)

I normally attend the ____ am worship service. I would prefer to serve as a welcoming servant minister for the ____ am service.

"Gifters" Ministry

Open Hearts. Open Minds. Open Doors.
The People of the United Methodist Church.

Studies have shown that very brief "doorstop visits" by church people who are not the pastor which are done promptly after a person visits a church are highly effective in demonstrating a welcome spirit of a congregation. (Similar visits done by a pastor or done long after a person visits the church are shown to be ineffective.) We are forming teams of individuals or couples who will, on Sunday afternoons or evenings, take a small gift to our visitors (2 "gifter" teams per Sun.).

I, _____ would like to serve as a "gifter" servant minister. Ranking from 1 being my favorite to 4 being my least preferred, I prefer to serve on this particular Sunday of the month:

1st ____ 2nd ____ 3rd ____ 4th ____

(Please mark with an "x" any Sunday you would *not* be able to serve.)
