Updating The Church on our Vision process

In our "Vision Team" meetings, we have been doing a Bible Study on what the Scripture calls Healthy Congregations to be a part of. The call and challenge from that process has been nothing less than Spirit-led. We have finished each night with "Wow. YES! This is what we pray for, what we dream of, for our Church!"

Who is supposed to be a part of this process? A common question from our time together has been trying to address some confusion about this question. This is a Church-wide process, and ALL of the Church is invited to come. You do not need to be a committee chair or even on any committee to come, though if you do serve on any committee, you will find it beneficial to be here as what God says to us here may inspire you there. YOU are invited to our next meeting: June 16, 6:30pm. We're on ["Week 3" of the Bible Study](#)- call for your copy.

Serving From Your Strengths

Wed. June 23, at 6:30pm
Come and see what a blessing it is to serve God from the God-given

strengths you have. We have specialist Peg Aldredge coming to lead us in an empowering workshop to teach us how to live from our strengths individually, and how to combine our strengths for the best fruitfulness in the life of the Church. This powerful workshop is for the **WHOLE CHURCH**, and is greatly encouraged by the Vision Team for all of us. Reflecting on your God-given strengths will help you in all areas of your life- business, civically, in your families, and in the Church.

The cost for the workshop, for the books, is \$12.60, if you need the Church to order the books for you and if you order by June 10. As you order later, the shipping costs will rise. If anyone cannot afford the book, please see Pastor Paul to ensure costs do not get in your way. Because the book purchase includes a strengths inventory exercise you must fill out before you come to the workshop, each person needs the book, not just 1 per couple, The survey needs to be done by Thursday, June 17, at the latest, to give Peg the time she needs to work with our data as a group.

New Members to be Received

"Membership in the Church means something significant," says Pastor Paul Dunham.

"Throughout my years of ministry, people have asked me what difference being church member makes. People see the obligations of membership and wonder why they should make such a commitment. Membership is so much more than that. It's like a couple in love- there is a difference between just dating and just married. Commitment. Dedication. Covenant. Blessings. Life in the Church is the same way- joining the church gives you a chance to pledge before God and one another 'I will be here, and I pray I will be used by God to do what God calls us to.' You can certainly come to church without joining, but you miss something significant if you do." Come and find out how joining the church can make a big difference in your faith journey. Contact Pastor Paul and let him know you are interested in becoming a member. **New Members will be received in both services on Sunday, June 13!**

This powerful worship service will be hosted in Greenville for the last time for a while. It is a celebration service you will not want to miss- the whole church should be there to join, at the Convention Center, with Methodists from all over eastern NC.

Hands on Missions projects need volunteers. There are 5 different ways you can volunteer some time over the course of Annual Conference. Go to <http://nccumc.org/secretary/annual-conference-2010/service-projects/> to see how you can volunteer.

On Sunday October 31, 2010 our Bishop Gwinn will be joining the congregation for a special joint worship service at 10:30am, followed by lunch.

Addresses Needed. This is to be a time of "Homecoming" as well, so we want to invite former members to share this day with us. Please give Nan Walston at the church or Nancy Harris (753-6155) the names and addresses of those people you would like to receive invitations –your children who live away, members from way back or friends who may have had a part in our church life. We need the information as soon as possible to start compiling a list!

A Baccalaureate Service and Dinner for graduating high school seniors at Farmville Central will be Sunday, June 6, at 6:00pm at the Farmville Presbyterian Church. Dinner will follow the service. **Our Church is responsible for clean up, 6 volunteers are needed.** Please call the church office if you are willing to help.

Baccalaureate

The final Wednesday Night Fellowship Dinner will be on June 9. It will be a covered dish picnic meal. Assuming weather cooperates, we will have a picnic under the shade trees on the church campus. Bring your chicken or pimento cheese sandwiches, deviled eggs, chips, or your favorite picnic fixings to share with friends - bring neighbors and visitors. Also come with ideas for summer fellowship activities so we can put together a calendar of events for July and August.

Also, we need 1 more team for the rotation of teams preparing Wed. meals for the fall, plus another team who can help the Vereen class serve a meal. If we get that, each team goes every 8 weeks. If you can help, please contact Irene & Randy Pollard by the end of this month.

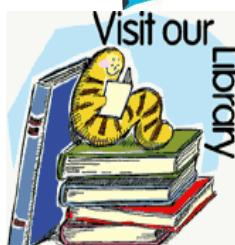

ALL PERSONS RELATED TO OUR CHURCH

who are graduating from a college, university, etc., please give the church office the information, including: the name of the college or university and the certificate or degree being received. Please call as soon as possible, we would like to include this information in our next newsletter.

SOFTBALL
Team

Visit our
library

Church softball is starting soon. Schedules are not out yet, but practice has begun. Game schedules will be posted soon.

Church softball is a co-ed league for players 13 and up. We need a minimum of 8 players and 3 women at any game to not forfeit.

To ensure both fairness, and so that non-members can play (a great chance for outreach!), players must attend (attending worship a minimum of twice/month) or be members of the church they play for.

FROM OUR CHURCH LIBRARY

Ever since I was a little girl, I've loved libraries – my mom let me check out books before I could even read, and I couldn't wait to finish my books so we could go back and get more. All through school I enjoyed going to libraries, whether it was to find fiction for summer reading or research books for school projects. I love being in our church library too – it's a great place to spend some time, and I invite you all to visit – and not just to attend a church meeting!

If you need help finding something, just let me know – there are lots of tempting topics – inspirational (find a devotion for a circle meeting), factual (learn more about being a Methodist), helpful (find Christian advice on finances), or fun (great children's books for all ages).

Your church library is a great resource – please take advantage of it the next time you walk by!

Nancy Wilson (Jablonski), Church Librarian

Volunteers are needed to keep the Crib Nursery and Nursery during the 8:45am service and the 11:00am service. Please call the church office if you are willing to help.

The new Church Directory is out, and people have really loved it. You can access it through this link: www.FarmvilleUMC.com/downloads/FUMCDirectory.pdf This link is NOT published online anywhere. Updates will be made to this link whenever available. If you need one printed for you, contact the church office.

Special thanks to Cyndi Lauderdale and her team of volunteers for getting this directory together!

Changes with the Prayer List.

To make the Prayer List even more helpful for our prayer life together, some changes will be made this month. The list will basically be started from scratch, where with each request, we will list the request, the person making the request, and the general reason for the request. The new list will look something like this:

Jane Doe (Mary Doe Smith)....health concern

Don Jones' family (Ron Jones' brother)...grief

Prayer requests will be for 1 month, and will continue longer only as people continue to request it be included.

Newsletter MAILING CHANGES

In an effort to be both good stewards of our environment, and to cut some of our costs, beginning this month, the newsletter will be available online, at the Church for

pickup, and mailed upon request. **If you would like to continue to receive your newsletter via postal mail, please let the church office know.**

All our Newsletters are archived online.

If you ever missed something and want to go back and check it out, you can go to the "News" page of FarmvilleUMC.com and scroll through issues of the newsletter, 2008-present. For example, you can see who joined the church in August of '08, or re-read last month's "How the Economy has impacted the Church".

How to Thrive Like Good Stalks - Lessons from the Cornfield

A Reflection from Pastor Paul...

The cornfield across from the church confronts me every day with the wonder of agriculture. There are a couple lessons I have noticed which I see also in churchlife.

Rain makes a huge difference. You've got to water the field.

The best corn is in the middle of the field.

Living in the thick of it all is life-giving. Being on the fringe still makes you corn, but not good corn.

I find the same truths in the Church:

You've got to water the field. I could almost hear the corn grow when we got rain recently. It shot up in days in ways it hadn't before. And I passed fields this weekend that were scrawny and struggling, looking like they had not had rain in a while.

Life is the same way. If you want to grow well, to have lives that are vibrant more than stagnant, give your souls the nourishment they need. "Let your Spirit rain down on me!", we often pray. Jesus said "I am the Living Water- drink from me and you'll never be thirsty." Especially in these troubled times, ask God to refresh your soul- and then spend time in the rain: Pray regularly. Worship passionately. Read God's Word expectantly. Practice the Presence of God's Spirit in your life, and just see what God's Spirit can do to your parched soul.

Plant yourself in the middle of a fully engaged church life of faith- immersed in the kingdom building life of a vibrant church-life. I tried to plant a small garden of corn once. I planted a few rows of just a few stalks- I didn't have much space. The stalks grew, but not to full height, and no corn was produced. I

believe it was because I did not have enough corn to create cross-pollination, but since I am no farmer I'll leave the explanations to those who are. I simply know this- without more corn, the corn I had didn't produce.

There are people who play at church- they come once in a while to worship, they put God on the fringe of their lives like window dressing to everyday life. It's just like the little corn stalks on

the edges of the field- sure, it is a life of faith, but it lacks the full measure of devotion that a vibrant life of faith brings, and it will lack its fruitfulness too.

The best stalks are the ones surrounded by other stalks with the same common goal of making and growing disciples of Christ. **We need each other.** If you want to have a vibrant faith life, then stay off the fringes where you just dabble with church life and where you are not a vital part of the mission and ministry going on. Get in the middle – commit yourself to being a vital vibrant member of the church. We have a number of ways throughout this newsletter where you can get more involved- even in the summertime. Take advantage of it. Cross Pollinate for Christ! Throw yourself into the mission and ministry of the church, and watch how your "stalk"- your spirit- grows as you help bring growth also to those around you.

Lamb mission Bank

God can do great things with our gifts. This craft reminds us that every little coin counts. When your lamb is full, empty out the coins and give them to a charity or church mission program.

What you need:

- Knit glove (black or white)
- 1-foot-long piece of thin ribbon, any color
- Stapler
- Craft glue or hot glue gun
- Fiberfill or cotton balls
- 2 googly eyes

What you do:

1. Staple one end of the ribbon to the inside of each side of the glove's opening to make a hanger.
2. For the lamb's body, cover the palm and half of the thumb with glue. Stick the fiberfill or cotton balls onto the glue.
3. Glue a googly eye to each side of the mitten's thumb. (The other fingers will be the legs.)
4. Hang the lamb where you'll see it often. Whenever you have extra change, drop it into your lamb bag.

Get Together with Pastor Paul

When would you like to do something together with Pastor Paul? The summer again offers us to the opportunity to get together in ways maybe not available during the other times of the year. Call me and we'll set something up. I love getting to know you in places outside of Sunday's time together.
