

FROM THE CREATORS OF FACING THE GIANTS

FIREPROOF

NEVER LEAVE YOUR PARTNER BEHIND

Special Screening , September 28, 2008

At work, inside burning buildings, Capt. Caleb Holt lives by the old firefighter's adage: Never leave your partner behind. At home, in the cooling embers of his marriage, he lives by his own rules.

After seven years of marriage, Catherine Holt wonders

when she stopped being "good enough" for her husband. Neither one understands the pressures the other faces—Caleb as firefighter and Catherine as the public relations director of a hospital.

Regular arguments over jobs, finances, housework, and outside interests have readied them both to move on to something with more sparks.

As the couple prepares to enter divorce proceedings, Caleb's father challenges his son to commit to a 40-day

experiment: "The Love Dare." Wondering if it's even worth the effort, Caleb agrees—for his father's sake more than for his marriage. When Caleb discovers the book's daily challenges are tied into his parents' newfound faith, his already limited interest is further dampened.

We will be doing **small group studies** based on this book. Dates and times offered will be based on your responses.

The **Fireproof Your Marriage Participant's Guide** is founded on Biblical principles for strong, God-centered, marriages. With the Participant's Guides couples engage in a 6-session study with an easy format that integrates key Scriptures, group discussion and individual and couple's devotions. (Can be used regardless of watching the movie or not.)

Commit to attending, and bring a couple with you. Consider hosting a group for your friends & neighbors. Will you lead a group?

While trying to stay true to his promise, Caleb becomes frustrated time and again. He finally asks his father, "How am I supposed to show love to somebody who constantly rejects me?"

When his father explains that this is the love Christ shows to us, Caleb makes a life-changing commitment to love God. And—with

God's help—he begins to understand what it means to truly love his wife.

But is it too late to fireproof his marriage? His job is to rescue others. Now Caleb Holt is ready to face his toughest job ever ... rescuing his wife's heart.

"MARRIAGE IS TO BE HELD IN HONOR AMONG ALL ..."
